PUNTING

GK Punts Are Prohibited in 8U -12U

Punts, Drop Kicks and Half-Volleys are **not permitted**

How Does The GK Put The Ball Into Play? (8U - 12U)

With ball in possession (in hands), the GK must put ball into play by a **throw, roll, or pass**

- Punts (drop kicks, etc.) are not permitted
- Per LOTG the GK may **not** be challenged when ball in his/her hands
- Ball is “in play” when released from GK hands...

BOL: BUILD-OUT LINE | **LOTG:** LAWS OF THE GAME | **GK:** GOAL KICKER

WHAT IF:

Goalkeeper Punts (9U - 12U)

- Referee stops play and awards IFK to opponents at location where GK punted ball
- If GK was inside Goal Area, the ball is placed on the Goal Area Line (6yd.), parallel to the Goal Line, closest to the punt location
- Repeated Infractions should not be considered as part of *Persistent Infraction* misconduct...

BOL: BUILD-OUT LINE | **LOTG:** LAWS OF THE GAME | **GK:** GOAL KICKER | **IFK:** INDIRECT FREE KICK

WHAT ABOUT:

Other saves by GK? (8U - 12U)

GK may:

- Collect the ball with their **hands**
- **Kick** the ball, or
- **Punch** the ball...

PDI's: 9U THROUGH 10U

BUILD-OUT LINE

Build-Out Line (BOL) 9U - 10U

9U - 10U matches now include BOL to help promote development of player skills

BOL only impacts **three** situations:

1. **Goalkeeper putting ball into play after possessing in hands**
2. **Offside**
3. **Goal Kicks**

BOL: BUILD-OUT LINE | **LOTG:** LAWS OF THE GAME | **GK:** GOAL KICKER |

Build-Out Line 9U - 10U

Build-Out Line 9U - 10U

- Located halfway between the halfway line and penalty area line parallel to the goal line
- Line may be solid, dashed, or simply marked by cones (or flags) off the field

COACHES: Good practice to remind players prior to the match

BASIC CONCEPT

Build-Out Line

- Putting the ball into play from a Goal Kick or from the Goalkeeper's hands requires that the player putting the ball into play attempt to pass the ball to a teammate on the same side (goal-side) of the BOL

PROMOTES DEVELOPMENT OF SKILLS

- In the same vein the BOL replaces the halfway line in the judgement of offside infractions

ALLOWS ATTACKING TEAM MORE ROOM TO DEVELOP ATTACK

BOL: BUILD-OUT LINE | **LOTG:** LAWS OF THE GAME | **GK:** GOAL KICKER |

BOL

Does Not Restrict Player Location During Normal Play

GK POSSESSION

Opponents **MUST** Move Behind BOL When GK Gets Possession

BOL and Goalkeeper Possession

During normal play there is no restriction on player location

When GK gains possession of ball with hands:

- Opponents must retreat behind BOL
- GK has option to put ball into play without waiting for opponents to retreat

PDI's: 9U THROUGH 12U

GK PUTTING THE BALL
INTO PLAY

Goalkeeper Putting Ball into Play

GK must **throw, roll, or pass** ball to teammate standing on goal-side of BOL

- GK may not punt the ball
- GK is allowed to dribble the ball before passing it to teammate
- Infraction: Ball deliberately thrown, rolled, or passed beyond BOL

Play should be stopped.

The restart: IFK for opponents at the location where the Goalkeeper released the ball

- If, in the opinion of the Referee, the infraction was not deliberate then play continues
- Repeated infractions should **not** be considered as part of Persistent Infringement misconduct

BOL: BUILD-OUT LINE | **LOTG:** LAWS OF THE GAME | **GK:** GOAL KICKER | **IFK:** INDIRECT FREE KICK

PUTTING BALL INTO PLAY:

Other Considerations

- GK does not need to wait for opponents to retreat;
TAKES RISK OF INTERCEPTION
- Referee should encourage opponents to retreat
GK has “6-seconds” to put ball into play after opponents have retreated across BOL (Not commonly enforced in 9U/10U)
- If ball goes directly out of play without crossing BOL, then restart with TI or CK as appropriate
- If GK dribbles ball beyond BOL let play continue

BOL: BUILD-OUT LINE | **LOTG:** LAWS OF THE GAME | **GK:** GOAL KICKER | **IFK:** INDIRECT FREE KICK | **TI:** THROW-IN
| **KI:** KICK-IN

PUTTING BALL INTO PLAY:

Opponent Considerations

- Opponents may cross the BOL as soon as the ball is released from the GK's hands

DO NOT HAVE TO WAIT FOR IT TO REACH INTENDED TARGET PLAYER

Infraction: Opponents cross BOL before GK releases ball

Hold up play, ask opponent to retreat, and then continue play
(REFEREE:

- If necessary to stop play, then restart with Dropped ball to Goalkeeper
- Use judgement and don't interfere for trifling infraction)

Repeated infractions **should not** be considered as part of Persistent Infringement misconduct

BOL: BUILD-OUT LINE | **LOTG:** LAWS OF THE GAME | **GK:** GOAL KICKER | **IFK:** INDIRECT FREE KICK | **TI:** THROW-IN
| **KI:** KICK-IN

PDIs: 9U THROUGH 12U

GOAL KICKS

GOAL KICK

Opponents MUST Move Behind BOL

GOAL KICK

Putting Ball Into Play Kick

- **Player taking Goal Kick must attempt to pass ball to teammate standing on goal side of BOL**

Infraction: Ball deliberately kicked beyond BOL

- Referee stops play and awards IFK to opponents on Goal Area Line, parallel to Goal Line, closest to where the Goal Kick was initially taken
- If, in Referee's opinion, the infraction was not deliberate then play continues
- Repeated infractions should not be considered as part of Persistent Infringement misconduct

BOL: BUILD-OUT LINE | **LOTG:** LAWS OF THE GAME | **GK:** GOAL KICKER | **IFK:** INDIRECT FREE KICK | **TI:** THROW-IN
| **KI:** KICK-IN

GOAL KICK

Putting Ball into Play: Other Considerations

- Referee should encourage opponents to retreat
- Player taking Goal Kick does not need to wait for opponents to retreat; takes risk of interception
- If ball kicked directly out of play without crossing BOL then restart with TI or CK as appropriate

BOL: BUILD-OUT LINE | **LOTG:** LAWS OF THE GAME | **GK:** GOAL KICKER | **IFK:** INDIRECT FREE KICK | **TI:** THROW-IN
| **KI:** KICK-IN

GOAL KICK

Putting Ball into Play: Opponent Considerations

- Opponents may cross BOL as soon as ball is kicked
Per LOTG ball is not in play until it exits penalty area
Infraction: Opponents cross BOL before kick is taken

REFEREE

- Stops play; asks opponents to retreat, then Goal Kick is retaken
- Repeated infractions **should not** be considered as part of Persistent Infringement misconduct

OFFSIDE

OFFSIDE POSITION (OFF TEAM)

BOL Limits Location of Offside Position

BOL AND OFFSIDE

Redefines Offside

- The area of potential offside infractions is defined by the BOL and the closest goal line.
