## Notes to Referee Certification Requirements:

- 1. Certification at all levels requires (one-time) completion of AYSO's Safe Haven certification.
- 2. No minimum score required on written exam.
- 3. In exceptional cases, certification requirement(s) may be waived through the use of the exemption process (see p. 22 of the NRP manual).
- 4. Although there is no physical test requirement at this certification level, an introduction to the AYSO Physical Fitness Test is recommended.
- 5. An observation is not an assessment, though it has some similarities. See the section "Concerning Observation", p. 43 of the NRP manual.
- 6. As indicated in the Referee Training Matrix (p.58 of the NRP manual), taking the Regional Referee Course and passing the Regional Referee Exam are prerequisites for the Intermediate Referee Course when it is being taken to satisfy an upgrade requirement (the usual case). Regional Referee <u>certification</u> is a requirement for Intermediate Referee <u>certification</u>, but is not a prerequisite for the Intermediate Referee Course.
- 7. As indicated in the Referee Training Matrix (p.58 of the NRP manual), taking the Intermediate Referee Course and passing the Intermediate Referee Exam are prerequisites for the Advanced Referee Course when it is being taken to satisfy an upgrade requirement (the usual case). Intermediate Referee <u>certification</u> is a requirement for Advanced Referee <u>certification</u>, but is not a prerequisite for the Advanced Referee Course.
- 8. As indicated in the Referee Training Matrix (p.58 of the NRP manual), taking the Advanced Referee Course and passing the Advanced Referee Exam are prerequisites for the National Referee Course when it is being taken to satisfy an upgrade requirement (the usual case). Advanced Referee certification is a requirement for National Referee certification, but is not a prerequisite for the National Referee Course.
- 9. Field assessments for upgrade must be done based on the officiating skills needed in a typical regular season AYSO match, in the age group specified, in any soccer match using the Diagonal System of Control. Matches used for upgrade assessments are recommended to be of the duration specified for that particular age group in the AYSO National Rules and Regulations (NRR). Where NRR length matches are not readily available, the duration of matches used for upgrade assessments may be reduced to no less than 30-minute halves with the concurrence of the ARA or ADA for Advanced Referee candidates, SRA or SDA for National Referee candidates.
- 10. If requested by the referee being assessed, a higher age group match or a non-AYSO match of the equivalent age level (or higher) may be used for the assessment.
- 11. The SRA may authorize substitution (for both match count and assessment) of 116 matches for 18U matches if 18U matches are not available.
- 12. The verifier of certification requirements for upgrade must serve in one of the specified roles in the Region, Area, or Section in which the upgrade candidate is registered. The verification must be completed within 30 days of the submission of the completed upgrade form by the candidate to the verifier. If the verifier is unable to complete the verification for any reason, he must notify the upgrade candidate of the reason in writing within the 30 day period.
- 13. The assessor for an Advanced Referee upgrade assessment will be assigned by the candidate's Area Director of Assessment (or designee) if the assessment will take place within the Area in which the candidate is registered; assessor assignment will be coordinated with the candidate's ADA (or designee) if the assessment will take place outside the Area in which the candidate is registered. The assessor for a National Referee upgrade assessment will be assigned by the candidate's Section Director of Assessment (or designee) if the assessment will take place within the Section in which the candidate is registered; assessor assignment will take place within the Section in which the candidate is registered; assessor assignment will be coordinated with the candidate's SDA (or designee) if the assessment will take place within the Section in which the assessment will take place outside the Section in which the candidate is registered.
