## **ARTICLE ONE**

### **PURPOSE**

These Regional Guidelines have been adopted by Region 10 (the “Region”) of the American Youth Soccer Organization (AYSO) pursuant to the authority granted in AYSO National Bylaw Section 1.03 (a) (6) to provide guidance to the Region in its organization and operation.

Under AYSO National Bylaw Section 1.04 (l) and National Policy Statement 6.1, the Region has the responsibility to operate in accordance with these Regional Guidelines unless the Region has adopted separate Regional guidelines approved by the Region’s Area Director and Section Director.

These Regional Guidelines are subject to AYSO’s Articles of Incorporation, National Bylaws, National Policy Statements, National Rules and Regulations, Section Rules and Regulations, and Area guidelines (AYSO’s “operating regulations”). All operating regulations are available online at <http://www.ayso.org>, and copies of these documents will be made available by the Region upon request and are hereby incorporated by reference as a part of these Regional Guidelines. These Regional Guidelines are meant to enhance and to conform with the operating regulations. To the extent that there may be any contradiction or conflict among these documents, the operating regulations shall prevail.

These guidelines, or such other guidelines as the Region may adopt, must be made available upon request to the members of the Region pursuant to AYSO Bylaw 1.04 (l).

## ARTICLE TWO

### MISSION

The AYSO Mission is to develop and deliver quality youth soccer programs which promote a fun, family environment based on the AYSO philosophies:

**Everyone Plays** - Our Region's goal is for kids to play soccer—so we mandate that every player on every Under 6 to Under 14 team must play at least three-quarters of every game.

**Balanced Teams** - Each year we form new teams as evenly balanced as possible—because it is fair and more fun when teams of equal ability play.

**Open Registration** - Our program is open to all children between 4 and 18 years of age who want to register and play soccer. Interest and enthusiasm are the only criteria for playing.

**Positive Coaching** - Encouragement of player effort provides for greater enjoyment by the players and ultimately leads to better-skilled and better-motivated players.

**Good Sportsmanship** - We strive to create a safe, fair, fun and positive environment based on mutual respect, rather than a win-at-all-costs attitude, and our program is designed to instill good sportsmanship in every facet of AYSO.

**Player Development** - We believe that all players should be able to develop their soccer skills and knowledge to the best of their abilities, both individually and as members of a team, in order to maximize their enjoyment of the game.

## ARTICLE FIVE

### MANAGEMENT OF THE REGION

#### 1. REGIONAL COMMISSIONER

The Regional Commissioner, with the support and assistance of the Regional Board, shall conduct the business and affairs of the Region.

(a) The Regional Commissioner shall serve a term of three years, subject to the terms of approval set forth by the National Board of Directors (see paragraph 6). The Regional Commissioner may serve multiple terms so long as he or she is nominated and appointed as indicated below.

(b) It is the general policy of the Region that the Regional Commissioner will have normally served at least one year on the Regional Board before serving as Regional Commissioner.

(c) It is the general policy of the Region that the Regional Commissioner not serve as a coach or assistant coach, nor hold any other board or staff position in the Region, except with the approval of the Regional Board. Where the Regional Commissioner or other board member also serves in another volunteer capacity, the Regional Board shall, at a minimum, adopt special procedures to insure that decisions affecting the Regional Commissioner acting in such other capacity are made by other, disinterested board members.

(d) The Regional Commissioner shall act in all other ways to avoid the appearance of a conflict of interest.

(e) The Regional Commissioner may be suspended by the Area Director or the Section Director and suspended or removed by the National Board of Directors in accordance with Sections 3.07 and 7.03 of the National Bylaws.

#### 2. REGIONAL BOARD

Upon the creation of the Region the Regional Commissioner shall appoint the initial Regional Board to serve until the next scheduled board meeting, at which time nominations and voting for board positions will take place.

(a) The Regional Board shall be comprised as described in Article Six.

(b) Regional Board members shall serve a one year term or until the next annual meeting.

(c) Any board member (except the Regional Commissioner) may be removed in accordance with Article Nine, paragraph 4, of these guidelines.

### 3. MEETINGS

The Regional Board shall fix, at its initial meeting each year (“annual meeting”), the time, date and place of each regular meeting of the Regional Board and send notice of such annual meeting to all participants in the program.

(a) It shall be the policy of the Region to hold at least one board meeting in each month during the primary season and at least one every two months during the remainder of the year. The Regional Board shall provide for the taking of minutes of the proceedings at each meeting and make them available to the members of the Region.

(b) All Regional Board meetings shall be open to all participating members unless the Regional Board determines that it is necessary to hold an executive session.

(c) An “executive session” is permitted only to review personnel matters, disciplinary matters, or legal matters, and should not be used where a vote upon any issue involving the affairs of the Region is taken.

(d) The Regional Commissioner or 1/3 of the board members may call a special meeting of the Regional Board on three days’ prior notice stating the purposes of such meeting, which notice may be given in writing, by telephone or in person.

(e) A majority of the board members shall constitute a quorum for the purpose of holding either a regular or special meeting.

### 4. VOTING; VETO POWERS

Unless otherwise specifically provided by these guidelines, all decisions of the Regional Board shall be made by a majority decision of the board members voting on any such matter; provided, however, that the Regional Commissioner may veto any such decision if the effect of such decision would be to violate any of the national operating regulations.

(a) Such veto may be reviewed by the Area Director (the “AD”) on request by a 1/3 vote of the board members voting on such matter.

(b) By a 2/3 vote of the entire Regional Board, any other issue may be put to the participating members of the Region, subject to fair and reasonable voting procedures to be adopted by the Regional Board.

### 5. REGIONAL BOARD NOMINATION PROCEDURES

(a) At least one month prior to the February meeting or a special meeting, the Regional Commissioner shall appoint a nominating commission of not less than three in number consisting of board members and, at the Regional Commissioner’s discretion, a reasonable number of persons who are not members of the board. The chairperson of the nominating commission shall be elected by its members.

(b) The nominating commission shall publicize to the participating members of the Region the Regional Board positions to be voted upon, recruit candidates and accept the names of candidates from other participating members of the Region.

(c) Regional Board members need not be parents of players in the Region.

(d) At the February meeting or at a special meeting, the nominating commission shall present to the outgoing board a slate of candidates it deems worthy of consideration. By majority vote of the outgoing board members present and voting, the final list of board nominees shall be presented to the Regional Commissioner for appointment. The voting members of the Board shall be determined by the Regional Commissioner from the list of Regional Board members serving in good standing.

(e) The Regional Commissioner may choose not to appoint an individual to a board position, even though recommended and approved, if the Regional Commissioner deems there is sufficient reason not to make the appointment. In such case, the Regional Commissioner shall ask the nominating commission to recommend additional candidates for approval and appointment. This inclusive and democratic process should be followed any time there are board positions to be filled, with the only exception being the appointment of the inaugural Regional Board (see paragraph 2 of this Article Five.).

(f) An emergent or unplanned vacancy on the Regional Board before the expiration of the term, except that of Regional Commissioner, may be filled by an interim candidate nominated by a majority vote of the then remaining board members and appointed by the Regional Commissioner.

(g) The person filling such vacancy shall serve until the next annual meeting and until his/her successor has been duly appointed.

## 6. **REGIONAL COMMISSIONER REAPPOINTMENT/REPLACEMENT**

At least three months, and preferably six months, before the expiration of the Regional Commissioner's term, or whenever there is a vacancy in the Regional Commissioner position due to death, resignation or removal, the Regional Board shall constitute a nominating commission.

(a) Such nominating commission may be the same nominating commission appointed pursuant to the preceding paragraph.

(b) The nominating commission shall submit to the Regional Board its recommendations of one or more candidates for the position of Regional Commissioner. The candidates (i) must be serving currently on the Regional Board and (ii) must have served on the Regional Board for at least one year. The Regional Board shall, by a majority vote held by secret ballot if more than one candidate, nominate a Regional Commissioner. If more than two candidates seek the Regional Commissioner position and if the initial ballot does not result in one candidate receiving a majority (50.1%) of votes, the Regional Board shall conduct a second run-off vote among the two candidates receiving the most votes on the first ballot. The Regional Board shall forward to the Region's Area Director

the name of the candidate receiving a majority of votes, as directed by National Bylaw Section 7.03.

(c) In the absence of a Regional Board, or in the absence of a nomination by a majority of the Regional Board, the Regional Commissioner will be nominated by the Region's Area Director. A nominee for Regional Commissioner is subject to approval of the Area Director, Section Director and National Board of Directors and is effective only upon approval of the National Board of Directors. The National Board of Directors has full discretion to approve or disapprove a nominee for a term of three years or for a shorter period as it sees fit.

(d) In the event of a vacancy in the position of Regional Commissioner other than at the expiration of the regular term, the Regional Board, including (if available) the outgoing Regional Commissioner, shall recommend an interim Regional Commissioner and submit such recommendation to the Area Director. The interim successor shall remain in office until the completion of the election procedures described in this paragraph.

## **7. VOLUNTARY SERVICE**

No board member or any other participant in the Region shall receive monetary or other compensation for his/her services to the Region, nor may he/she use his/her position to benefit him/her directly or indirectly in any other way, such as a supplier of equipment or camp programs to the Region. Nothing in this paragraph prohibits any Regional Board or staff member, or Regional volunteer, from being reimbursed for his or her out-of-pocket expenses incurred for work on behalf of the Region with the approval of the Regional Board.

(a) Teams shall be formed as set forth in the National Rules and Regulations, Articles II and III.

(b) Team assignments of players shall be made by those persons delegated such task by the Regional Board.

(c) Retention of players on any team shall be limited to the head coach's child(ren). Otherwise there shall be no automatic retention of players on any specific team or with any specific coach from the previous season.

(d) Every attempt shall be made to balance the skill level of teams within each division.

(e) Once teams are formed, no transfer of any player from one team to another may be made without the approval of the coaches of both teams involved, the age division coordinator (if any), the Regional Commissioner and the parent or guardian of the player, unless the player is 18 years of age at the time.

(f) In the case where teams are involved in inter-Regional play, no transfer of any player from one team to another after such teams are formed may be made without the additional approval of the Area Director and, if affecting Section play, the Section Director.

#### 2. **Registration Fees; Refunds**

(a) The registration fee for each player participant shall be fixed annually by the Regional Board. The fee for the current year shall be set forth in a letter describing primary season registration events, procedures and registration fees ("Registration Letter"). The Registration Letter shall be posted on the Region's website in advance of the first registration event for the primary season. Best efforts shall be taken to distribute via e-mail to prior season participating members.

(b) The Regional Board may by specific grant or scholarship, or by Regional policy, waive such registration in whole or in part with respect to any participant if such fee would create a hardship for such participant or his or her family.

(c) Any player who withdraws from the program shall be entitled to a refund of such registration fee as described in the Registration Letter.

#### 3. **Eligibility**

All boys and girls, between the ages of 4 and 18, based on their age as of July 31 of the year in which the membership year begins, shall be eligible to register for the program,

subject to field availability, volunteer support, AYSO operating regulations, and such rules as may be issued by the Regional Board. It is the duty of the Region to assure that only eligible players are permitted to register and play.

#### **4. Length of Season and Cancellation of Games**

(a) The length of any playing season during the year shall be of such duration as determined by the Regional Board, and as set forth in the Regional calendar posted on the Region's website.

(b) Inclement weather, poor field conditions or unsafe environmental conditions may necessitate from time to time the postponing or canceling of games. Any such postponement or cancellation will be made at the discretion of the Regional Commissioner, the Regional safety director or the Division Coordinator with responsibility for a particular field as early as practical before game time. Their decisions are final.

(c) Once the game begins, only the referee in charge of the particular soccer field may suspend or cancel the game, except that the Regional Commissioner, a designee or Division Coordinator with responsibility for a particular field may suspend or cancel games due to inclement weather or other conditions that may warrant such action.

#### **5. Attendance; Participation**

(a) Every Under 6 to Under 14 player shall be entitled to play at least three-quarters of every game.

(b) Subject to adequate volunteer resources, the Region will follow the recommendations of the National Support & Training Center with respect to short-sided play for the Under 5 to Under 12 divisions.

(c) No goalkeepers will be used in the Under 5 to Under 7 divisions. If goalkeepers are used in the Under 8 division, they may play only one quarter in goal. In the U9-U12 divisions, goalkeepers must play at least one quarter in the field in each match.

(d) Each player is strongly urged to attend every team practice and every match.

(b) However, coaches are encouraged to file with the Regional Referee Administrator a written report within 48 hours after a game of any misapplication by a game referee of the Laws of the Game or rules and regulations. This procedure shall not be used as a means of complaining about or criticizing any judgment call of a referee or assistant referee.

(c) If, after investigation by the Regional Referee Administrator, it is found that a law, rule, or regulation was misapplied, such referee shall be so informed in order to ensure that no further misapplication occurs.

(d) The use of shin guards is required at all practices and games.

(e) Coaches are expected to be positive role models and set the best possible example for the participants. Excessive coaching from the sidelines shall not be permitted, and the function of the coach is to provide positive instruction and encouragement to the players. The coach may enter the field of play only with the consent of the referee and may coach only within 10 yards in each direction from the half-way line of the field (in no event in either of the penalty Areas or from behind the goals).

(f) Spectators at games must remain behind the spectator control line (three yards from the sideline) and between the penalty Areas and their vocal efforts should be limited to positive compliments to the participants. Spectators are expected at all times to act positively around players and to demonstrate respect for opponents, officials, and all other volunteers. Under no circumstances should they attempt to coach or address remarks derogatory to players, coaches or the referee.

(g) At the end of the game, the players on each team shall line up and shake hands with the players of the opposing team and thank the referee and assistant referees.

(h) Discipline shall be up to the referee at each game. The referee shall have the power and authority to caution and send off players and warn and expel coaches (as well as spectators, in the case of outside interference) from the playing Area, or terminate the match if necessary, if their conduct violates the Laws of the Game, these guidelines or otherwise interferes with the course of play. No appeal of disciplinary action taken by a referee shall be allowed.

(i) A player who is sent off for violation of the Laws of the Game shall be suspended for the duration of that game and shall not participate in the team's next scheduled game. A player who is cautioned or sent off may be subject to additional disciplinary action (e.g., parent conferences, additional game suspensions, expulsion) at the discretion of the Regional Board upon thorough review of the incident following the procedures outlined

in Article 9 (Dispute Resolution). A coach, assistant coach or spectator who is warned or expelled from the field may also be subject to similar or additional disciplinary action at the discretion of the Regional Board upon thorough review of the incident following the procedures outlined in Article 9 (Dispute Resolution).

## **8. Refreshments at Games**

(a) It shall be the responsibility of each team to supply its own refreshments. It is suggested that the best kind of refreshment is cool water.

(b) It is the responsibility of the coach and team parent participants to assure the absence of any drug, stimulant or other harmful substances in any refreshment given to any player.

## **9. Parental Participation**

(a) As AYSO is an "all-volunteer" organization, each parent or guardian who has a player in the Region shall be strongly encouraged to volunteer his or her valuable time and services in some way.

(b) The Region shall not reduce or eliminate the player fee based upon voluntary work done by a participant's parents or guardians and shall not charge an additional fee to those parents of players who do not volunteer their services or who do not donate funds to the program.

(c) No fee distinction shall be made based upon parental or player participation in Regional fundraising activities.

(d) The Region may not condition the registration of a player based upon any requirement of volunteer participation by a parent or guardian.

## **10. Facilities**

(a) It shall be the responsibility of both teams for the first game each day to set up the goalposts and nets, where required, and both teams for the last game of each day to take down the goalposts and nets, where required.

(b) Each field shall be lined under the direction of the Regional Commissioner, the appropriate Division Coordinator or the director of playing fields, and each group of fields shall be provided with a first aid kit.

(c) No trash should be left at the facility except in designated containers. Parking shall be limited to those Areas designated at the fields.

(d) For player, volunteer and spectator protection and safety, dogs are prohibited from all Region events, including practices and matches. At public parks, dogs are prohibited from those portions of the park permitted to the Region for Region use. This includes the portion of the park used for playing fields, the immediate playing field perimeters and

sections of the park where players and spectators congregate. Dogs used to assist people with disabilities will be allowed.

**11. Sponsors:**

The Region encourages local businesses and individuals to support its program. Suitable recognition shall be given to them. Contributions are strongly encouraged to be made to the Region rather than to a particular team. All such contributions are considered charitable contributions and are deductible for U.S. tax purposes, subject to the applicable limitations in the Internal Revenue Code. It is the responsibility of any sponsor to comply with the Internal Revenue Code and AYSO will give no opinion on whether a particular donation is or is not deductible.

**12. Equipment**

(a) The Region shall make arrangements to supply each player with a shirt with the original AYSO logo properly affixed thereto and, if possible, a pair of socks, and shorts.

(b) Each player is expected to provide his/her own appropriate footwear and shin guards. No player may participate in a game without such shirt, socks, shorts, appropriate footwear and shin guards.

(c) Players may not wear jewelry of any kind (including chains, watches, body jewelry and earrings), bandanas or other ornamentation or anything else that may, in the opinion of the referee, create an increased risk of injury to himself or herself or to other players during the game.

(d) Medical information bracelets should not be removed, but can be covered with a soft wrist band or temporarily modified to fit more snugly.
