PURPOSE

These Regional Guidelines have been adopted by Region 10 (the "Region") of the American Youth Soccer Organization (AYSO) pursuant to the authority granted in AYSO National Bylaw Section 1.03 (a) (6) to provide guidance to the Region in its organization and operation.

Under AYSO National Bylaw Section 1.04 (l) and National Policy Statement 6.1, the Region has the responsibility to operate in accordance with these Regional Guidelines unless the Region has adopted separate Regional guidelines approved by the Region's Area Director and Section Director.

These Regional Guidelines are subject to AYSO's Articles of Incorporation, National Bylaws, National Policy Statements, National Rules and Regulations, Section Rules and Regulations, and Area guidelines (AYSO's "operating regulations"). All operating regulations are available online at <http://www.ayso.org>, and copies of these documents will be made available by the Region upon request and are hereby incorporated by reference as a part of these Regional Guidelines. These Regional Guidelines are meant to enhance and to conform with the operating regulations. To the extent that there may be any contradiction or conflict among these documents, the operating regulations shall prevail.

These guidelines, or such other guidelines as the Region may adopt, must be made available upon request to the members of the Region pursuant to AYSO Bylaw 1.04 (l).

ARTICLE TWO

MISSION

The AYSO Mission is to develop and deliver quality youth soccer programs which promote a fun, family environment based on the AYSO philosophies:

Everyone Plays - Our Region's goal is for kids to play soccer—so we mandate that every player on every Under 6 to Under 14 team must play at least three-quarters of every game.

Balanced Teams - Each year we form new teams as evenly balanced as possible—because it is fair and more fun when teams of equal ability play.

Open Registration - Our program is open to all children between 4 and 18 years of age who want to register and play soccer. Interest and enthusiasm are the only criteria for playing.

Positive Coaching - Encouragement of player effort provides for greater enjoyment by the players and ultimately leads to better-skilled and better-motivated players.

Good Sportsmanship - We strive to create a safe, fair, fun and positive environment based on mutual respect, rather than a win-at-all-costs attitude, and our program is designed to instill good sportsmanship in every facet of AYSO.

Player Development - We believe that all players should be able to develop their soccer skills and knowledge to the best of their abilities, both individually and as members of a team, in order to maximize their enjoyment of the game.

ARTICLE FIVE

MANAGEMENT OF THE REGION

1. REGIONAL COMMISSIONER

The Regional Commissioner, with the support and assistance of the Regional Board, shall conduct the business and affairs of the Region.

(a) The Regional Commissioner shall serve a term of three years, subject to the terms of approval set forth by the National Board of Directors (see paragraph 6). The Regional Commissioner may serve multiple terms so long as he or she is nominated and appointed as indicated below.

(b) It is the general policy of the Region that the Regional Commissioner will have normally served at least one year on the Regional Board before serving as Regional Commissioner.

(c) It is the general policy of the Region that the Regional Commissioner not serve as a coach or assistant coach, nor hold any other board or staff position in the Region, except with the approval of the Regional Board. Where the Regional Commissioner or other board member also serves in another volunteer capacity, the Regional Board shall, at a minimum, adopt special procedures to insure that decisions affecting the Regional Commissioner acting in such other capacity are made by other, disinterested board members.

(d) The Regional Commissioner shall act in all other ways to avoid the appearance of a conflict of interest.

(e) The Regional Commissioner may be suspended by the Area Director or the Section Director and suspended or removed by the National Board of Directors in accordance with Sections 3.07 and 7.03 of the National Bylaws.

2. REGIONAL BOARD

Upon the creation of the Region the Regional Commissioner shall appoint the initial Regional Board to serve until the next scheduled board meeting, at which time nominations and voting for board positions will take place.

(a) The Regional Board shall be comprised as described in Article Six.

(b) Regional Board members shall serve a one year term or until the next annual meeting.

(c) Any board member (except the Regional Commissioner) may be removed in accordance with Article Nine, paragraph 4, of these guidelines.

3. MEETINGS

The Regional Board shall fix, at its initial meeting each year (“annual meeting”), the time, date and place of each regular meeting of the Regional Board and send notice of such annual meeting to all participants in the program.

(a) It shall be the policy of the Region to hold at least one board meeting in each month during the primary season and at least one every two months during the remainder of the year. The Regional Board shall provide for the taking of minutes of the proceedings at each meeting and make them available to the members of the Region.

(b) All Regional Board meetings shall be open to all participating members unless the Regional Board determines that it is necessary to hold an executive session.

(c) An “executive session” is permitted only to review personnel matters, disciplinary matters, or legal matters, and should not be used where a vote upon any issue involving the affairs of the Region is taken.

(d) The Regional Commissioner or 1/3 of the board members may call a special meeting of the Regional Board on three days’ prior notice stating the purposes of such meeting, which notice may be given in writing, by telephone or in person.

(e) A majority of the board members shall constitute a quorum for the purpose of holding either a regular or special meeting.

4. VOTING; VETO POWERS

Unless otherwise specifically provided by these guidelines, all decisions of the Regional Board shall be made by a majority decision of the board members voting on any such matter; provided, however, that the Regional Commissioner may veto any such decision if the effect of such decision would be to violate any of the national operating regulations.

(a) Such veto may be reviewed by the Area Director (the “AD”) on request by a 1/3 vote of the board members voting on such matter.

(b) By a 2/3 vote of the entire Regional Board, any other issue may be put to the participating members of the Region, subject to fair and reasonable voting procedures to be adopted by the Regional Board.

5. REGIONAL BOARD NOMINATION PROCEDURES

(a) At least one month prior to the February meeting or a special meeting, the Regional Commissioner shall appoint a nominating commission of not less than three in number consisting of board members and, at the Regional Commissioner’s discretion, a reasonable number of persons who are not members of the board. The chairperson of the nominating commission shall be elected by its members.

(b) The nominating commission shall publicize to the participating members of the Region the Regional Board positions to be voted upon, recruit candidates and accept the names of candidates from other participating members of the Region.

(c) Regional Board members need not be parents of players in the Region.

(d) At the February meeting or at a special meeting, the nominating commission shall present to the outgoing board a slate of candidates it deems worthy of consideration. By majority vote of the outgoing board members present and voting, the final list of board nominees shall be presented to the Regional Commissioner for appointment. The voting members of the Board shall be determined by the Regional Commissioner from the list of Regional Board members serving in good standing.

(e) The Regional Commissioner may choose not to appoint an individual to a board position, even though recommended and approved, if the Regional Commissioner deems there is sufficient reason not to make the appointment. In such case, the Regional Commissioner shall ask the nominating commission to recommend additional candidates for approval and appointment. This inclusive and democratic process should be followed any time there are board positions to be filled, with the only exception being the appointment of the inaugural Regional Board (see paragraph 2 of this Article Five.).

(f) An emergent or unplanned vacancy on the Regional Board before the expiration of the term, except that of Regional Commissioner, may be filled by an interim candidate nominated by a majority vote of the then remaining board members and appointed by the Regional Commissioner.

(g) The person filling such vacancy shall serve until the next annual meeting and until his/her successor has been duly appointed.

6. **REGIONAL COMMISSIONER REAPPOINTMENT/REPLACEMENT**

At least three months, and preferably six months, before the expiration of the Regional Commissioner's term, or whenever there is a vacancy in the Regional Commissioner position due to death, resignation or removal, the Regional Board shall constitute a nominating commission.

(a) Such nominating commission may be the same nominating commission appointed pursuant to the preceding paragraph.

(b) The nominating commission shall submit to the Regional Board its recommendations of one or more candidates for the position of Regional Commissioner. The candidates (i) must be serving currently on the Regional Board and (ii) must have served on the Regional Board for at least one year. The Regional Board shall, by a majority vote held by secret ballot if more than one candidate, nominate a Regional Commissioner. If more than two candidates seek the Regional Commissioner position and if the initial ballot does not result in one candidate receiving a majority (50.1%) of votes, the Regional Board shall conduct a second run-off vote among the two candidates receiving the most votes on the first ballot. The Regional Board shall forward to the Region's Area Director

the name of the candidate receiving a majority of votes, as directed by National Bylaw Section 7.03.

(c) In the absence of a Regional Board, or in the absence of a nomination by a majority of the Regional Board, the Regional Commissioner will be nominated by the Region's Area Director. A nominee for Regional Commissioner is subject to approval of the Area Director, Section Director and National Board of Directors and is effective only upon approval of the National Board of Directors. The National Board of Directors has full discretion to approve or disapprove a nominee for a term of three years or for a shorter period as it sees fit.

(d) In the event of a vacancy in the position of Regional Commissioner other than at the expiration of the regular term, the Regional Board, including (if available) the outgoing Regional Commissioner, shall recommend an interim Regional Commissioner and submit such recommendation to the Area Director. The interim successor shall remain in office until the completion of the election procedures described in this paragraph.

7. **VOLUNTARY SERVICE**

No board member or any other participant in the Region shall receive monetary or other compensation for his/her services to the Region, nor may he/she use his/her position to benefit him/her directly or indirectly in any other way, such as a supplier of equipment or camp programs to the Region. Nothing in this paragraph prohibits any Regional Board or staff member, or Regional volunteer, from being reimbursed for his or her out-of-pocket expenses incurred for work on behalf of the Region with the approval of the Regional Board.

(b) Team assignments of players shall be made by those persons delegated such task by the Regional Board.

(c) Retention of players on any team shall be limited to the head coach's child(ren). Otherwise there shall be no automatic retention of players on any specific team or with any specific coach from the previous season.

(d) Every attempt shall be made to balance the skill level of teams within each division.

(e) Once teams are formed, no transfer of any player from one team to another may be made without the approval of the coaches of both teams involved, the age division coordinator (if any), the Regional Commissioner and the parent or guardian of the player, unless the player is 18 years of age at the time.

(f) In the case where teams are involved in inter-Regional play, no transfer of any player from one team to another after such teams are formed may be made without the additional approval of the Area Director and, if affecting Section play, the Section Director.

2. **Registration Fees; Refunds**

(a) The registration fee for each player participant shall be fixed annually by the Regional Board. The fee for the current year shall be set forth in a letter describing primary season registration events, procedures and registration fees ("Registration Letter"). The Registration Letter shall be posted on the Region's website in advance of the first registration event for the primary season. Best efforts shall be taken to distribute via e-mail to prior season participating members.

(b) The Regional Board may by specific grant or scholarship, or by Regional policy, waive such registration in whole or in part with respect to any participant if such fee would create a hardship for such participant or his or her family.

(c) Any player who withdraws from the program shall be entitled to a refund of such registration fee as described in the Registration Letter.

3. **Eligibility**

All boys and girls, between the ages of 4 and 18, based on their age as of July 31 of the year in which the membership year begins, shall be eligible to register for the program,

subject to field availability, volunteer support, AYSO operating regulations, and such rules as may be issued by the Regional Board. It is the duty of the Region to assure that only eligible players are permitted to register and play.

4. Length of Season and Cancellation of Games

(a) The length of any playing season during the year shall be of such duration as determined by the Regional Board, and as set forth in the Regional calendar posted on the Region's website.

(b) Inclement weather, poor field conditions or unsafe environmental conditions may necessitate from time to time the postponing or canceling of games. Any such postponement or cancellation will be made at the discretion of the Regional Commissioner, the Regional safety director or the Division Coordinator with responsibility for a particular field as early as practical before game time. Their decisions are final.

(c) Once the game begins, only the referee in charge of the particular soccer field may suspend or cancel the game, except that the Regional Commissioner, a designee or Division Coordinator with responsibility for a particular field may suspend or cancel games due to inclement weather or other conditions that may warrant such action.

5. Attendance; Participation

(a) Every Under 6 to Under 14 player shall be entitled to play at least three-quarters of every game.

(b) Subject to adequate volunteer resources, the Region will follow the recommendations of the National Support & Training Center with respect to short-sided play for the Under 5 to Under 12 divisions.

(c) No goalkeepers will be used in the Under 5 to Under 7 divisions. If goalkeepers are used in the Under 8 division, they may play only one quarter in goal. In the U9-U12 divisions, goalkeepers must play at least one quarter in the field in each match.

(d) Each player is strongly urged to attend every team practice and every match.

6. Protests

(a) No protest of games shall be permitted.

(b) However, coaches are encouraged to file with the Regional Referee Administrator a written report within 48 hours after a game of any misapplication by a game referee of the Laws of the Game or rules and regulations. This procedure shall not be used as a means of complaining about or criticizing any judgment call of a referee or assistant referee.

(c) If, after investigation by the Regional Referee Administrator, it is found that a law, rule, or regulation was misapplied, such referee shall be so informed in order to ensure that no further misapplication occurs.

(d) The use of shin guards is required at all practices and games.

(e) Coaches are expected to be positive role models and set the best possible example for the participants. Excessive coaching from the sidelines shall not be permitted, and the function of the coach is to provide positive instruction and encouragement to the players. The coach may enter the field of play only with the consent of the referee and may coach only within 10 yards in each direction from the half-way line of the field (in no event in either of the penalty Areas or from behind the goals).

(f) Spectators at games must remain behind the spectator control line (three yards from the sideline) and between the penalty Areas and their vocal efforts should be limited to positive compliments to the participants. Spectators are expected at all times to act positively around players and to demonstrate respect for opponents, officials, and all other volunteers. Under no circumstances should they attempt to coach or address remarks derogatory to players, coaches or the referee.

(g) At the end of the game, the players on each team shall line up and shake hands with the players of the opposing team and thank the referee and assistant referees.

(h) Discipline shall be up to the referee at each game. The referee shall have the power and authority to caution and send off players and warn and expel coaches (as well as spectators, in the case of outside interference) from the playing Area, or terminate the match if necessary, if their conduct violates the Laws of the Game, these guidelines or otherwise interferes with the course of play. No appeal of disciplinary action taken by a referee shall be allowed.

(i) A player who is sent off for violation of the Laws of the Game shall be suspended for the duration of that game and shall not participate in the team's next scheduled game. A player who is cautioned or sent off may be subject to additional disciplinary action (e.g., parent conferences, additional game suspensions, expulsion) at the discretion of the Regional Board upon thorough review of the incident following the procedures outlined

in Article 9 (Dispute Resolution). A coach, assistant coach or spectator who is warned or expelled from the field may also be subject to similar or additional disciplinary action at the discretion of the Regional Board upon thorough review of the incident following the procedures outlined in Article 9 (Dispute Resolution).

8. Refreshments at Games

(a) It shall be the responsibility of each team to supply its own refreshments. It is suggested that the best kind of refreshment is cool water.

(b) It is the responsibility of the coach and team parent participants to assure the absence of any drug, stimulant or other harmful substances in any refreshment given to any player.

9. Parental Participation

(a) As AYSO is an "all-volunteer" organization, each parent or guardian who has a player in the Region shall be strongly encouraged to volunteer his or her valuable time and services in some way.

(b) The Region shall not reduce or eliminate the player fee based upon voluntary work done by a participant's parents or guardians and shall not charge an additional fee to those parents of players who do not volunteer their services or who do not donate funds to the program.

(c) No fee distinction shall be made based upon parental or player participation in Regional fundraising activities.

(d) The Region may not condition the registration of a player based upon any requirement of volunteer participation by a parent or guardian.

10. Facilities

(a) It shall be the responsibility of both teams for the first game each day to set up the goalposts and nets, where required, and both teams for the last game of each day to take down the goalposts and nets, where required.

(b) Each field shall be lined under the direction of the Regional Commissioner, the appropriate Division Coordinator or the director of playing fields, and each group of fields shall be provided with a first aid kit.

(c) No trash should be left at the facility except in designated containers. Parking shall be limited to those Areas designated at the fields.

(d) For player, volunteer and spectator protection and safety, dogs are prohibited from all Region events, including practices and matches. At public parks, dogs are prohibited from those portions of the park permitted to the Region for Region use. This includes the portion of the park used for playing fields, the immediate playing field perimeters and

sections of the park where players and spectators congregate. Dogs used to assist people with disabilities will be allowed.

11. Sponsors:

The Region encourages local businesses and individuals to support its program. Suitable recognition shall be given to them. Contributions are strongly encouraged to be made to the Region rather than to a particular team. All such contributions are considered charitable contributions and are deductible for U.S. tax purposes, subject to the applicable limitations in the Internal Revenue Code. It is the responsibility of any sponsor to comply with the Internal Revenue Code and AYSO will give no opinion on whether a particular donation is or is not deductible.

12. Equipment

(a) The Region shall make arrangements to supply each player with a shirt with the original AYSO logo properly affixed thereto and, if possible, a pair of socks, and shorts.

(b) Each player is expected to provide his/her own appropriate footwear and shin guards. No player may participate in a game without such shirt, socks, shorts, appropriate footwear and shin guards.

(c) Players may not wear jewelry of any kind (including chains, watches, body jewelry and earrings), bandanas or other ornamentation or anything else that may, in the opinion of the referee, create an increased risk of injury to himself or herself or to other players during the game.

(d) Medical information bracelets should not be removed, but can be covered with a soft wrist band or temporarily modified to fit more snugly.

(e) Prescription eyeglasses may be worn, but must remain firmly on the wearer's head. A restraining strap may be worn. Non-prescription eyeglasses and sunglasses are not permitted to be worn by a player during a game.

(f) Hard casts (including padded casts), splints, helmets and hard padding are not permitted to be worn by a player during any game or practice.

ARTICLE EIGHT

1. **Budget; Financial Statement**

(a) The Regional Board shall adopt an annual budget which provides the basis for setting player registration fees.

(b) At the end of each season, the Regional Board shall cause to be prepared a statement of income received and amounts expended in connection with the program. Such statement shall be made available for review by the parent or guardian of each player and a copy shall be made available upon reasonable request.

The Regional treasurer in cooperation with other Regional Board and staff members shall establish internal control procedures to safeguard against the misuse or loss of Regional assets, especially in regard to cash receipts and cash disbursements. Such internal control procedures shall include the following:

(b) The cash receipt book must be reconciled to the bank deposit slip.

(c) A volunteer accepting payment for registration fees should note upon an available portion of the player registration form: (i) the amount of the payment received; (ii) whether such payment was made in cash or by check; (iii) the check number (if paid by check); (iv) the date such payment was received if different from the date of the parent or guardian’s signature on the player registration form; (v) the names of any other family member players for whom the payment was received; and (vi) the initials of the volunteer receiving such payment.

6. Immediate Accounting to Regional Treasurer:

The Regional treasurer in cooperation with other Regional Board and staff members shall establish internal control procedures to safeguard against the misuse or loss of Regional assets, especially in regard to the immediate accounting to the Regional treasurer for monies received, checks written upon the Regional bank account, invoices received for accounts payable by the Region, and requests for reimbursement to Regional volunteers for out-of-pocket expenses incurred on behalf of the Region. Such internal control procedures shall include the following:

(b) No one should sign a Regional check without verifying the expense by examining the invoice or request for reimbursement.

(c) Regional debit and/or credit card accounts are expressly forbidden. Members may make authorized purchases using a personal credit card and submit receipts for reimbursement to the Region.

(d) No requests for reimbursement to Regional volunteers shall be honored without a written request signed by such volunteer, itemizing the out-of-pocket expenses incurred, and with supporting receipts or other documentation attached.

(e) All bills and invoices received for payment by the Region must be forwarded to the Regional treasurer for payment, if not already paid, within five (5) days of the receipt.

(f) The Regional treasurer must be notified of any checks written on the Regional bank account without his or her knowledge within 48 hours of the issuance or delivery of such check for payment of any Regional expense.

(g) All bank withdrawal transactions and Regional checks shall be noted with the appropriate National Accounting Program (NAP) code denoting the purpose for such transaction.

7. Immediate Deposit Procedures

Such internal control procedures shall include the following:

(a) All fees collected on behalf of the Region for registration, sponsorships, fundraising, and donations or for any other purposes shall be deposited immediately after being reconciled with the appropriate cash receipt book, registration form, and/or bank deposit slips.

(b) Under no circumstances may any person accept on behalf of the Region any postdated check or agree to hold any check for deposit on a later day.

8. Monthly Bank Reconciliations

(b) The reconciled statement(s) and copy of bank statement must be presented to each board member at their regularly scheduled meeting.

9. "Specified Use" Funds

The Regional Board may from time to time, designate funds accumulated in excess of current operating requirements for specified use in a restricted fund balance by affirmative vote of 2/3 of its members. "Specified Use" will mean a project or purpose which will further the duties and responsibilities of the Region, including but not limited to major field renovation projects, land acquisition (for playing field use only) or long-term leases, or other local program uses. Specified use funds may be set aside in separate accounts to accomplish the goals of the project or purpose.

ARTICLE NINE

DISPUTE RESOLUTION

1. General Policy

- a) It is the policy of the Region to resolve all disputes involving persons involved in the Region in an amicable way, if possible. Compromise should be emphasized whenever possible, and personality conflicts should be avoided.
- b) If disciplinary action is found to be necessary, it is the Region's policy to take only the minimum action necessary. All means available should be taken to avoid legal action.
- c) It is the policy of the Region to avoid punishing the players for the conduct of the parents except when there is no other solution (e.g., where a parent cannot or will not cease his or her disruptive behavior).
- d) It is the policy of the Region to avoid wiping out years of good memories of AYSO and good service to AYSO, and that suspension or removal procedures are to be used only as a last resort. Voluntary resignation is preferable to a suspension or removal procedure.
- e) It is the policy of the Region to avoid publicizing the results of suspension or removal proceedings beyond those persons who need to know these results and to respect the privacy of the individuals involved. However, the Regional Commissioner or designee should notify the Area Director, the Section Director, the National Support & Training Center or members of the AYSO Legal Commission of any pending proceedings pursuant to the operating regulations, and must comply with all applicable regulations and laws requiring suspension for abuse and similar events.

2. General Due Process Procedures

- (a) Disputes involving day-to-day activities of the Region should first be addressed and resolved, if possible, by the appropriate board member in charge of the activity and/or then by the Regional Commissioner, if necessary. For example, disputes arising out of game conduct should first be addressed and resolved, if possible, by the Regional Referee Administrator and/or then by the Regional Commissioner or a disinterested disciplinary review panel appointed by the Regional Commissioner, if necessary.
- (b) If it is determined that a Participating Member or Playing Member of the Region (including the parent, guardian or other family member of a Playing Member) needs to be disciplined, or that his or her participation in the Region should be limited or terminated, by way of suspension or removal, then the Regional Commissioner or designee **shall** give notice to such person of such action or proposed action, initially by telephone, FAX, in writing via email or in person.
- (c) Notice should always be followed by a written confirmation of the initial communication, delivered via a method which provides proof of mailing and/or delivery,

not necessarily proof of receipt or signature by the non-executive member. E-mail notification, the U.S. Postal Service "Delivery Confirmation Receipt", any Overnight/Next-Day delivery confirmation, or "In-Person" delivery by at least two volunteers will suffice.

The written confirmation shall specify the action to be taken and the reasons therefore. Such notice shall further notify such person that he or she, upon request, will be given a reasonable opportunity to explain why such action should not be taken. Such opportunity to respond may be in person, by telephone or in writing.

(d) The Regional Commissioner **may** decide to conduct the review alone. If the Regional Commissioner was a witness to the incident or is otherwise involved in the matter, a neutral designee should be appointed to conduct the review. After such opportunity to respond has been given, the Regional Commissioner shall make a final determination and announce it in writing to the persons concerned.

(e) Alternatively, the Regional Commissioner may choose to appoint a disinterested panel of neutral persons to review the matter. If a disciplinary review panel is appointed, the person appointed to chair that panel shall provide a written recommendation to the Regional Commissioner based upon a review of the information presented to the panel, after which the Regional Commissioner shall make a final determination and announce it in writing to the persons concerned.

3. Immediate Suspension

(a) If the gravity of the incident or preliminary information collected about the matter presents imminent danger to participants or the program, the Regional Commissioner may immediately suspend the person(s) involved.

(b) In such a case of immediate suspension, notice must be provided to the person(s) being suspended and a disciplinary review provided, if requested, according to the procedures described in Paragraph Two of this Article Nine above. However, a suspension may be imposed before a disciplinary review is conducted. A suspension is considered to be temporary in nature, and any such suspension may be removed or set aside by the Regional Commissioner should all the facts remove the original cause for concern.

4. Removal

(a) The Regional Commissioner may remove a Participating Member or Playing Member of the Region (including the parent, guardian or other family member of a Playing Member) (whether or not suspended) from further involvement in the program.

(b) Such removal may only be made upon prior notice and, if requested, after a disciplinary review proceeding described in Paragraph Two of this Article Nine above has been conducted.

(c) Such removal is only permitted when there is found to be (i) a violation of the National Bylaws or of the rules, regulations, policies or philosophies of AYSO or (ii) conduct which disrupts the Region's or AYSO's activities or programs.

5. Disciplinary Review Procedures

(a) Disciplinary review proceedings under these guidelines are intended to provide due process to the person whose conduct is the subject of the review proceeding.

(b) If a disciplinary review panel is appointed, it should be comprised of an odd number so as to avoid ties during deliberations.

(c) Any disciplinary review proceeding shall be held at a neutral location.

(d) The procedures shall be communicated to all parties prior to the commencement of such a review proceeding.

(e) All interested parties are to be informed of the date, time, and location of the proceeding.

(f) The person whose conduct will be subject to review at that proceeding is responsible for notifying any individuals who that person may want to speak at that proceeding.

(g) If a disciplinary review panel is convened, neither the Regional Commissioner nor a person who has a direct interest in the outcome of the matter shall participate as a decision maker in any stage of the review proceeding.

(h) A person has a direct interest in the outcome of the matter if that person's conduct is in any way called into question by the events, or if that person is a witness to the events, has a familial relationship with any person involved in the matter, has a financial interest in the outcome, or whose judgment, for any reason, cannot be unbiased and neutral.

(i) The review shall be conducted as quickly and as fairly as possible, but the proceedings may be structured as circumstances may require to keep them as positive as possible.

(j) The person(s) conducting the review may ask such questions and request such documents or other items as may be necessary to obtain all pertinent facts, but should refrain from being overbearing with such examinations and requests.

(k) It is strongly recommended that players and other minors not be asked to participate as witnesses or to offer "testimonials" either in person or in writing unless it is absolutely necessary in order to determine any pertinent fact of the matter.

(l) The proceedings should be kept as confidential as may be necessary to protect all parties. The person(s) conducting the review shall listen to the facts of the situation from

all interested parties. There is no right to make a record or recording of the live proceedings in any form (written, electronic, audio or visual). Any request by a party to use a court stenographer, or a mechanical or electronic device to record the proceedings should be denied.

(m) Each "side" should make their presentations to the person(s) conducting the review outside the presence of the other to prevent undue acrimony or harm to the participants.

(n) Parties do not have the right to involve attorneys or to cross-examine other parties or witnesses. Assistance of attorneys or any other persons whose help may be sought by an interested person may be permitted to help present facts within the discretion of the person(s) conducting the disciplinary review if it is believed that such participation will be helpful and positive.

(o) Interested persons may request that the person(s) conducting the disciplinary review obtain information from or ask questions of others who are providing information if there is a good faith belief that the requested information will reveal facts pertinent to the issues under review.

(p) At the conclusion of the disciplinary review proceeding, the person(s) conducting the review shall deliberate in private to determine the recommendation. Under no circumstances shall any such deliberation take place in the presence of the parties involved in the dispute.

- (1) The person(s) conducting the disciplinary review will then decide the issues raised pursuant to AYSO operating regulations and these Regional Guidelines based on the information submitted, and determine the appropriate action to be taken.
- (2) In the event the review proceedings are conducted by a neutral appointee of the Regional Commissioner or by a neutral disciplinary review panel, the deliberations should result in a recommendation of action which is presented to the Regional Commissioner. In the case of a disciplinary review panel, the recommendation is determined by a majority vote.
- (3) Such recommendation may include that no action should be taken against the individual accused, or that a warning or caution be given, that a written reprimand be given, that further education or probation be required, or that such person should be suspended or removed from involvement in Regional activities.
- (4) In all cases, the Regional Commissioner makes the final determination of the action to be taken in the matter. If provided a recommendation from a neutral appointee or a neutral disciplinary review panel, the Regional Commissioner should not dismiss the recommendation(s) without careful consideration.

(q) Where the final determination results in removal or where otherwise determined appropriate, the individual in question should be given an opportunity to resign voluntarily (except in instances involving alleged acts of physical violence or alleged improper sexual behavior). All persons whose conduct was at issue in the matter shall promptly be notified of such resignation or, in the absence of a resignation, of the disciplinary action taken. Such notice shall include notice of a right to appeal the decision to the next highest Executive Member within a reasonable period of time.

6. Appeal

(a) If the party is dissatisfied with the decision or action taken by the Regional Commissioner, he/she may request a review of such decision by the Area Director, unless it is determined by the Area Director, or, he/she is not disinterested, then by the Section Director unless it is determined by the Section Director, or, he/she is not disinterested, then by the National Board of Directors, as may be appropriate pursuant to the operating regulations relating to dispute resolution and due process.

(b) The basis of any such appeal must be that the original determination was arbitrary and capricious, or that the procedure was not fair, including that the person or persons making such determination are found not to have been disinterested, or that the procedures described in these guidelines were not followed.

(c) There shall only be one appeal of each matter.

(d) Any determination made in accordance with this Article shall be final and binding on all concerned.
