

## AYSO Opening/Photo Day at Peninsula High School

27118 Silver Spur Road, Rolling Hills Estates

Saturday, September 8, 2012

Please read the following important information regarding Opening/Photo Day:

**Opening Day Attractions:** Galaxy Street Team – AYSO Sports Camps – My Funky Socks

### **Uniform Donations:**

Again this year AYSO Region 10 is partnering with **Give Get Go** to donate “gently” used uniforms, soccer balls, socks and other gear, to needy players in Africa, Tanzania, Haiti, Uganda, Costa Rica, Mexico, and other destinations in need. Give Get Go donation bins will be available at Opening/Photo Day, so please bring items with you that day.

### **Important Photo Day Reminders:**

Pets are not allowed on the field. A volunteer will be at the gate preventing pets from entering, so please, leave your pets at home.

The main purpose of the day is to have photos taken. As such, it is important for every team to have an assigned photo coordinator. On the 8<sup>th</sup>, that coordinator’s responsibility will be to check in at the table prior to the team lining up for photos. If you are not a team photo coordinator, you do not need to stop by the “check-in” tent. Each child must have a completed photo form with them when they arrive. Even if you are only selecting the Free League Buy, a form must be completed. Your Photo Day Coordinator will give you the form prior to the event, and additional forms will be available at Opening/Photo Day.

As the Region provides a League Buy photo of your child with their team, we ask that you refrain from taking photos while the children are taking their team pictures with our professional photographers. We have to get over 300 teams, totaling more than 2,500 children photographed throughout the day, so your cooperation is greatly appreciated.

Finally, many teams will have their season opening game on this day (B&GU9 & older). Game times and photo times will be coordinated so that there is ample time for both. It is imperative that teams be prompt so as to not to delay the rest of the teams in line! **We suggest arrival 30 minutes prior to photo time.** This will allow you to find parking and locate your teammates.

Thank you so much, we are looking forward to a great day!!
